What is MyZION?

The new Zion Member/Attender login gives our members and regular attenders 24/7 access to their personal Zion record.

All members and regular attenders who wish to access their information must create a login. This information is not available to the public. Once you create a login you will be able to:

- View your personal record
- View your contributions
- Update your own profile with a new address, phone number, or email address
- Register for classes or events
- *Inquire about interest in small groups and serving opportunities
- *View the church calendar

Any changes that are made will be processed as a change request, but will not be processed until approved.

*Coming soon
